Thank You for picking up this Area Guide for Middletown, Cobb, and Hidden Valley Lake!

Welcome to historic and scenic Lake County and specifically the communities of Middletown, Cobb and Hidden Valley Lake. We are proud to call this slower paced slice of heaven our home. We have some of the best air in the state and dark skies at night. Our attractions include biking and hiking trails, a casino, award winning wineries, golf, family-owned restaurants and grocery stores, geothermal, a local art community and lots of individual entrepreneurs. We love it here and we hope you do too.

The Middletown Area Merchants Association unites businesses in Cobb, Middletown, and Hidden Valley Lake to promote a thriving, local economy. We invite business owners and entrepreneurs to attend our informal Business Networking events and become involved with our committees. Join our MAMA mailing list to get reminders and locations of our Business Networking or Mixers and Mingles at www.middletownareamerchants.com. Looking for a way to give to our community? Please be a guest to one of our Board meetings and see how you can serve and make a difference. MAMA is a volunteer organization that:

- * Organizes Christmas in Middletown on the second Saturday of each December
- * Sponsors Movies in the Park in the summer
- * Actively promotes our members through our website, directory, and social media
- * Invests in downtown improvements
- * Creates opportunities for business owners to work together to create a thriving local economy
